Compiler Construction Project

All Features:

1. Main function

2. Expressions

    a. > Greater Than

    b. < Less Than

    c. == Is Equal

    d. != Is Not Equal

    g. >= Greater Than or Equal

    f. <= Less Than or Equal

    e. || OR

    k. && And

    m. ! Not

3. Comments

4. Variable declaration

    a. Integer

    b. Char

    c. Float

    d. Boolean

    g. Double

5. IF ELSE Block

6. Variable assignment

7. For loop

8. While loop

9. Switch Statement

10. Mathematical Expression

    a. Addition +

    b. Subtraction -

    c. Multiplication *

    d. Division /

    e. Modulus %

    f. Power ^

11. Print Function

12. Print Line Function
